*Email from David Howe, Chairman of the Douai Park Recreation Association
(the organisation that co-ordinates the various sports and clubs who use the Douai Playing
Fields)*

Hello everyone,

I am contacting everyone involved with the use of the Douai playing fields asking for help with raising funds.

We are in the process of considering taking on the lease for the pavilion and this will involve taking on the responsibility for the pavilion.

It needs refurbishing or rebuilding so the changing and catering facilities match the sports' facilities.

I am looking for anyone with experience of obtaining grants from organisations, contacts that might be useful or companies/individuals that may want to donate. If there is anyone who would be willing to attempt to apply for grants or help to raise funds I would like to hear from you.

I would be grateful if this request could be passed on to all members of your clubs so that any expertise or useful contacts can be effectively used.

In the near future all the clubs will hopefully contribute to fund raising activities as I hope between the current users of Douai we should be able to raise at least £10,000 towards a total cost of up to £300,000.

I look forward to hear from anyone that may be able to assist in obtaining grants or organising future fund raising events.

Best wishes,

David Howe
